

HAMILTON RE

Hamilton Re is the Class IV Bermuda reinsurer of Hamilton Insurance Group, the Bermuda-based holding company for insurance and reinsurance operations that underwrite property and casualty risks in Bermuda, the United States and at Lloyd's. Our company leverages analytics and research to create underwriting and investment value for our clients and shareholders.

We're looking for a Summer Intern

Reporting to the Risk & Analytics team, this internship provides an exciting opportunity for two undergraduate students to spend 10 to 12 weeks with us. Students will gain invaluable insight by working across various teams.

The internship programme will combine on-the-job learning and formal development, through which you will gain valuable work experience and transferable skills to aid you in future career decisions.

What you will do

- The internship will primarily be focused in Risk & Analytics, where you will learn about the modeling tools used to perform daily functions in support of the underwriting team.
- You will work with many professionals across multiple disciplines and afforded an opportunity to gain insights into our business operations.
- You will work on several projects, and be supported to choose one project which you will present to members of the senior leadership team at the end of the intern programme.

What you require for the job

- A résumé
- Two letters of reference
- A minimum GPA of 3.0 and copies of transcripts
- Completion of two years of an undergraduate level programme
- A willingness to learn and to push the limits of your knowledge and skill in a fast-paced and fun environment
- Must be Bermudian or hold Bermudian status

Beyond asking you to take all these actions and fulfill these requirements, we will ask you to Be smart, Be sensible, Be open and, above all else, Be more—strive harder, reach further, never give up. These First Principles are the intellectual and moral compass of everyone at Hamilton. They shape the way we build our team, the way we work and the way we will prosper.

Interested persons should apply no later than **March 24, 2017** and submit their application to:
