

HAMILTON RE

Join Hamilton Re, where we will ask you to Be smart, Be sensible, Be open and, above all else, Be more—strive harder, reach further, never give up. These First Principles are the intellectual and moral compass of everyone at Hamilton. They shape the way we build our team, the way we work and the way we will prosper.

We're looking for Summer Interns

Reporting to the Catastrophe Modelling team, this internship provides an exciting opportunity for two undergraduate students to spend eight to 10 weeks with us. Students will gain valuable insight by working across various teams and departments.

The internship programme will combine on-the-job learning and formal development through which you will gain work experience and transferable skills to aid you in future career decisions.

› WHAT YOU WILL DO

- Short rotations to a number of Hamilton Re's departments exposing you to various aspects of the business
- Work with many professionals across multiple disciplines, gaining insights into our business operations
- Work on several projects and be supported to choose one project which you will present to members of the Hamilton Re Executive team at the end of the intern programme

› WHAT YOU REQUIRE FOR THE JOB

- A resume
- Two letters of reference
- A minimum GPA of 3.0 and copies of transcripts
- Completion of two years of an undergraduate level programme at time of internship
- A willingness to learn and to push the limits of your knowledge and skill in a fast-paced, innovative and exciting environment
- Must be Bermudian or hold Bermudian status
