

A new vision of risk

HAMILTON RE

We're writing the future of risk.

Focused and grounded in technology, we're using data to change the way insurance is written. We aim to write risk quickly, confidently and intelligently by drawing on powerful analytics and research to provide superior underwriting and investment value for our clients and shareholders.

Hamilton Re

Shareholder's equity over **\$1.5 billion** as of September 30, 2017

Rated "A-" (Excellent) by **A.M. Best**

Maintains a conservative risk profile, limiting PML to **15% of shareholder's equity in the US** and **10% for the rest of the world**

Manages risk exposures through a combination of third-party models and **HARP** (Hamilton Analytics and Risk Platform), **a proprietary risk management platform**

Normal maximum property treaty capacity of **\$60 million**

Diversified book of business with more than **200 premier clients** in **Property** and **100** in **Casualty & Specialty**
