

A NEW VISION OF RISK

HAMILTON ^{AT} LLOYD'S

To write the future of risk

Hamilton Insurance Group is the Bermuda-based holding company for property and casualty insurance and reinsurance operations in Bermuda (Hamilton Re) and at Lloyd's (Hamilton at Lloyd's). Bolstered by \$1.7 billion in shareholders' equity as of May 31, 2018, and unencumbered by legacy systems and culture, Hamilton Insurance Group and its companies combine powerful analytics, deep experience and meticulous judgment to create underwriting and investment value for their clients and shareholders.

The tradition of Lloyd's. The ambition of Hamilton.

Hamilton at Lloyd's is the brand name for the Lloyd's managing agency Hamilton Underwriting Limited, which manages Syndicate 3334. Acquired by Hamilton Insurance Group in April 2015, Syndicate 3334 is a diversified multi-line insurance and reinsurance syndicate. We focus our expert underwriting in treaty reinsurance, casualty/professional, specialty, space, and property.

As part of the Lloyd's market, we participate in risk taking alongside many other established syndicates. We differentiate ourselves through our team of high-quality underwriters, our ability to offer lead terms in many areas, and our data-driven approach to writing risk in the Lloyd's marketplace.

Hamilton at Lloyd's is permitted to underwrite business in accordance with Lloyd's trading status. Lloyd's is licensed to underwrite business in over 70 territories and can accept risks proposed from over 200 countries and territories in accordance with local laws and regulation. Full details can be obtained from lloyds.com.

Hamilton at Lloyd's is a trading style of Hamilton Underwriting Limited, authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority.
